Own the 1st 445 in the UK

There can only ever be one 'first owner' of a UK 445 and so there is only one **special offer** available for that boat which would be displayed at London boatshow in January 2010. If you need a reason to commit then this is it! Contact us for more details.

Beat the VAT Rise!

With VAT due to go back up to 17.5% on 1st January 2010, now is the time to think about ordering your boat for a pre-VAT rise delivery. A 35% deposit of the ex-VAT standard boat price secures your slot with the balance due on completion. To find out more call us on the numbers below or email us. Don't leave it too late!

It's not too late!

Do you have dreams of sailing an Ovni 395 into the sunset this summer?

We've an Ovni 395 ready and waiting to go, just looking for her new owner. You could even be flying her distinctive cruising chute!

And if we end up with a rainy summer? You'll be more than comfortable relaxing in her luxurious interior (see photo right).

We've got Wales covered!

Those of you who sail around Wales may soon see another 395 'Seren' when she returns to the UK after her maiden voyage from France. Her base will be in South Wales, whereas another 395 is based in Conwy.

Southampton Boatshow 11th - 20th September

Is it that time already? No, but planning ahead we're giving advance notice that we'll have a rare 3 cabin 395 on display at Southampton. If this is the version you're looking for, don't miss it!

PRICES: We sell in Euros with a Sterling price only fixed at the time of the first payment if requested. The indication Sterling prices below reflect the Sterling/Euro exchange rate at the time of printing and also the VAT at 15%. If the exchange rate improves from this level the indication standard boat prices in Sterling will also go down.
