

North Sea Maritime's Rh ea Newsletter

Updated Rh ea 850

Boat #49 is the first of the newly updated 850's. She has a practical forward v-berth (with infill), more storage and Corian in the galley, new switch panel and a new choice of hull colour - dark grey. A very popular model, let us know if you would like a sea trial after the show.

New Rh ea 800

Seen here moored in the harbour at Ile de R e after her maiden voyage and sea trials. Classic Rh ea lines, solid, fast performance. A compressed version of the 850 - sure to be very popular. UK debut at Excel in January.

Paris Boatshow

1st - 9th December
Come and see Rh ea's full line-up and book your Spring 08 delivery slot, if you haven't already done so. Availability is limited, especially the 850 and new 800 so don't delay if you want one. Please ask us for details of the show.

Rh ea 750 Open

See the contrast between the wheelhouse and open versions. Make the most of the 'Indian Summer' - a heatwave is forecast for October! Good deck space and interior for weekending aboard. Available for immediate delivery - an opportunity not to be missed. Call us for a trial/price.

Secondhand Market:

Rh ea 650 - 2006, 115hp Nanni, 35 hours, chart-plotter/GPS, VHF, shore supply, sun-awning, mini-galley and sea toilet. Substantial saving over new boat price. Lying Poole. For full spec please contact us.
