New Rh ea 800 at Excel

First public outing for the Rh ea 800 in the UK and an excellent opportunity to look all over her. The only view you won't have is 'top-down' so the picture opposite of her sister ship moored on the Ile de R e will give you an idea of how pretty she would look to passers-by on the dockside. We think she'll be the envy of many.

Our 800 is for sale, although we would like to come to some arrangement with her buyer to let us take out a few people for demonstrations - those who 'missed the boat' when it came to buying her! Please ask for details.

For Sale

Ex-demonstrator 750 Open
 60,000 + VAT

220 hp Yanmar engine. Grey and cream livery. Less than 20 hours. Lying South Coast. Full inventory on request. Big saving on current new boat price and no waiting!
(Photograph of Swedish sistership left).

'Rh ea: The indisputable pleasure of fishing and cruising'

Secondhand Market:

Rh ea 650 - 2006, 115hp
Nanni, 35 hours, chartplotter/GPS, VHF, shore supply, sun-awning, mini-galley and sea toilet. Substantial saving over new boat price. Lying Poole. For full spec please contact us.

Rh ea 850 - Twin

Another UK show debut. This owners' boat is equipped with 2 x Yanmar 220hp engines. We've left the skegs on display so you can see and understand how she can sit on the beach - without legs!
